Missing parents :30

Did you know a child is orphaned by AIDS every 15 seconds?

Millions of children are growing up alone...missing their childhood

Missing their mother...missing their father

AIDS is devastating families around the globe

Children are missing your support

UNITE for Children. UNITE against AIDS.

Missing education :30 seconds

Did you know knowledge is the key to stopping the spread of AIDS?

Yet millions of children are missing an education:

Missing their teachers, who have died of the disease.

Missing from class...as they stay home to care for their dying mothers and fathers

Children are missing your support

UNITE for Children. UNITE against AIDS.
